MESSAGE FROM CHAIRMAN

Greetings,

Education is a devotion and teachers and students are devotees. To embody and characterize this mentality, OAJ Institute of Science has been established.

In a student's life, there are two goals to strive for:

- 1) To build the best career.
- 2) To learn the best lessons of life.

With the pioneering aim of "Every student can achieve the above mentioned objectives," the OAJ Institute of Science was founded. The institute, established on the founding principles of dedication, honesty and transparency, has garnered the support of students, parents and innovative teachers. Today, the institute operates on a large scale, thanks to this extraordinary support system.

This trust have consistently been our inspiration. With the support and inspiration of this trust, coupled with blessings of the almighty God, we are becoming more and more efficient in achieving both objectives at an accelerated pace. I hope and request all of you to maintain this supportive trust and belief in us, propelling us further towards our vision and mission.

Warm Ragards,

Mr. Nirav Dave

Founder - Chairman

OAJ Institute of Science, Bhavnagar

The team at OAJ believes in system led by honesty, dedication and transparency. Our aim is to impart quality education with an innovative scientific approach and a highly efficient system to students.

We prepare students for their excellent performance in national level science stream competitive examinations, which are gateways to the premier institutes of our country.

We, at OAJ, are committed to providing a positive, motivated & competitive environment to the students which gives them the ability to shine at the national level.

A lot of hard work, dedication and a highly efficient scientific strategy is required to crack this competition and we are very fortunate to have such a highly qualified and energetic team of experienced teachers.

We consider our students' career, very seriously and our team doesn't leave any stone unturned for their preparation so we do expect the same from the students.

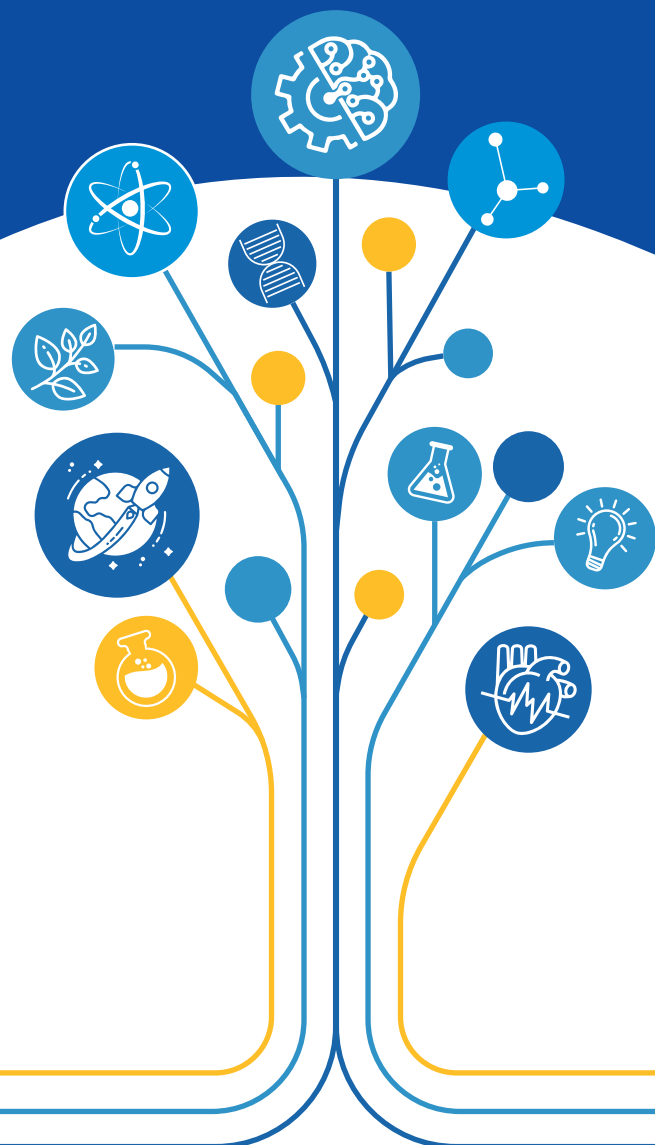

Therefore, we seek for students who are extremely motivated, committed and serious about their goal.

Our aim is to give a dedicated and goal-oriented personality to the nation.

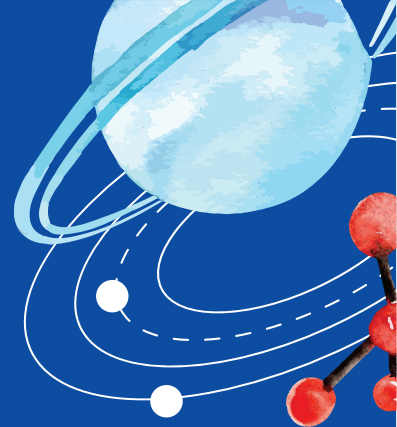

OUR JOURNEY

"In **November 2018**, the journey of the OAJ Institute of Science began with the pioneering motto of providing and facilitating **'Quality Education with Excellence'** in the realms of **JEE (Main + Advanced), and NEET** in Bhavnagar. Since 1999, **Mr. Nirav Dave**, the institute's founder chairman always dreamed of **'Spreading the fragrance of Innovative education'** in the competitive science exam field across Bhavnagar. His vision was to ensure that Students of Bhavnagar could easily access **'Concept-based Competitive Education'** for **JEE-Main, JEE-Advanced and NEET**. Today, this small educational initiative, known as the 'OAJ Institute of Science' established in 2018, has burgeoned into a giant tree. It not only provides the best possible fruits of success to Bhavnagar's residents and students in **JEE-Main, JEE-Advanced and NEET** but also imparts this excellence to its **Foundation batches encompassing 8th, 9th, and 10th standards**. Our goal is to prepare the next generation of achievers."

ALL ABOUT SCIENCE STREAM

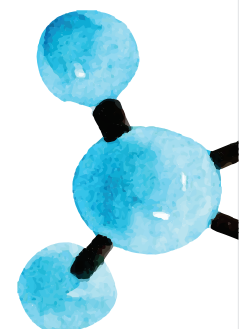

"What after 10th ?"

Should I get into the field of Engineering or Medical or Research ?

These types of questions arise in the mind of the students as they are on the verge of completing their 10th Standard. So let us have the clarity of what are the possibilities available.

The main two branches of science stream are Engineering and Medical commonly known as **A Group** and **B Group**

Stream	Pre - Engineering (A Group)	Pre - Medical (B Group)
Subject	Physics, Chemistry, Mathematics	Physics, Chemistry, Biology
Target Exams	12 th Board/Gujcet/JEE (Main + Advanced)	12 th Board/NEET
Field	Engineering & Technology	Medicine

Pre-Medical (B group)

NEET

(National Eligibility cum Entrance Test) is conducted by the National Testing Agency every year in offline mode for getting admission in **MBBS, BDS, BAMS and BHMS** across the **15% reserved government colleges**.
The rest 85% are filled by the state government.

Admission to **AIIMS, JIPMER and AFMC** etc are also done through **NEET score only**.

The 720 marks paper consists of 200 questions from **Biology (Botany & Zoology), Chemistry and Physics**. Each question has **+4 gains** on correct answer, **-1** on incorrect and neutral on no option selected.

► Details about GUJCET, JEE Main & JEE Advanced

1) GUJCET

GUJCET (Gujarat Common Entrance Test) is an annual entrance exam for candidates seeking admission into Engineering and pharmacy courses. The exam is overseen by the Gujarat Secondary and Higher Secondary Education Board (GSHSEB). However, the admission and the counselling process is undertaken by the Admission Committee for Professional Courses (ACPC).

► Exam Pattern

Subject	Number of MCQs	Maximum Marks	Total Marks
Physics	40	01	40
Chemistry	40	01	40
Mathematics	40	01	40
Total	120	01	120

*-0.25 for incorrect answer and neutral for no option selected.

2) JEE - MAIN

JEE Main (Joint Entrance Exam) is conducted every year by the National Testing Agency (NTA).

► Exam Pattern

Subject	Number of MCQs	Numerical Type	Maximum Marks	Total Marks
Physics	20	05/10	04	100
Chemistry	20	05/10	04	100
Mathematics	20	05/10	04	100
Total	60	15/30	04	300

*-1 for incorrect answer and neutral for no option selected.

3) JEE Advanced

JEE Advanced is conducted by any one out of all Indian Institute of Technology on a rotational basis every year. After securing the **cutoff of JEE Main percentile the candidate is eligible to appear for the JEE Advanced exam.**

JEE Advanced has **two papers** as a **computer based test** having **Multiple Choice Questions, Single correct, Numerical type, etc.**

There is no Fixed Pattern for JEE Advanced

The candidate has to secure a position by **qualifying and getting selected in this exam for admission in the IITs and IISc (Indian Institute of Science, Bangalore).**

2) NITs, IIITs and Premier State level colleges

The Examination body gives the Percentile based on their JEE-Main Score and The All India Ranking is given to the candidates . The admissions in these Institutions are offered on the basis of their All India Rank in JEE - Main Examinations.

3) Indian Institute of Technology (IITs)

The admissions in these Institutions are offered on the basis of their All India Rank in JEE Advanced Examination

Eligibility to appear for JEE Advanced Examination:

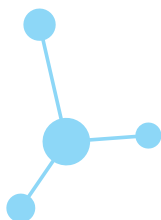

1) Top 2,50,000 Students of JEE main are allowed to appear for JEE Advanced Examination

The Joint Seat Allocation Authority (JoSAA) organizes and manages the counselling round for the allotment of seats in IITs, NITs (National Institute of Technology), IIITs (Indian Institute of Information Technology), Government Funded Technical Institutes. Admissions are offered purely on the basis of JEE Main percentile.

4) India Institute of Science, Education and Research

The Government of India has established IISERs at Berhampur, Bhopal, Kolkata, Mohali, Pune, Thiruvananthapuram and Tirupati to integrate and promote interdisciplinary science education and research. Over the years IISERs have been successfully attracting talented young minds. An overarching goal of the IISERs is to enable students to shape the nation by inventing and implementing sustainable solutions for societal problems through research in science. This is being achieved by our faculty of international repute together with bright students. In a short span of time IISERs have generated an incredible amount of intellectual property in the form of publications and patents.

FOUNDATION

In these modern Era of Technology and Educational Advancement it is an important aspect for an individual to decide a Particular Career and start working for it well in Advance towards the goal.

Keeping in Mind the Educational Requirements of the Science Stream Competitive Exams and to achieve a remarkable Success in those examinations it is a wiser Decision to start preparing for it well in Advance.

Preparing the Students of 8th, 9th & 10th for Olympiads, and gives an Excellent Touch of the National level Competitions.

Apart from this the Competitive touch of the Subject as well as the examination becomes a common practice for the students which boost up their Preparation in 11th and 12th Standards.

1) Olympiads under SOF (Science Olympiad Foundation)

National Science Olympiad, International Mathematics Olympiad & International English Olympiad etc. are conducted in two stages, the exam covers topics like logical reasoning and science.

AWARDS: Clearing the different exams under SOF, students are felicitated at different levels; International, Zonal and Regional.

2) Olympiads Under IAPT, NBHM & HBCSE

These are the actual Olympiads which help the students to get into the Indian team at the International Olympiads final stages.

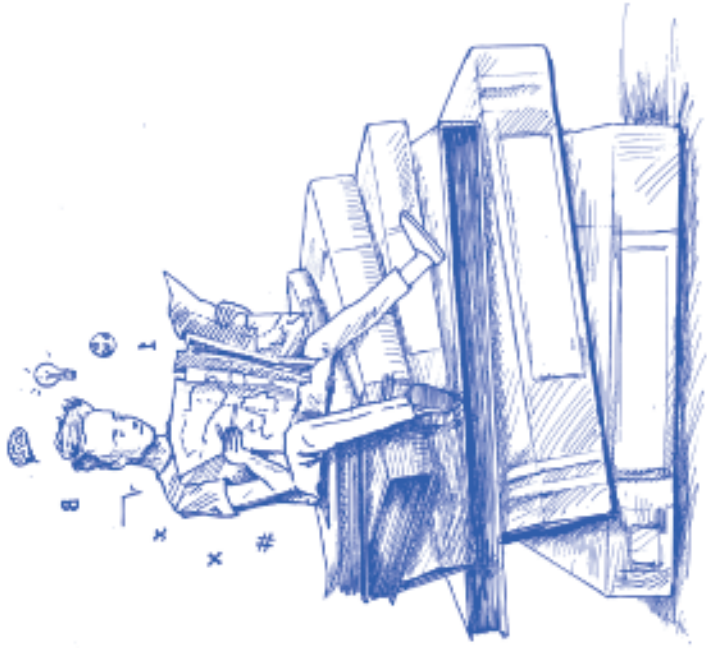

These Olympiads are conducted in 5 Stages

The initial stages are conducted by IAPT, NBHM and the final stages and training for International Olympiads are conducted by HBCSE.

BENEFITS: International Recognition

For more details You may visit the Website of IAPT

MESSAGE FROM MANAGING DIRECTOR (HOD - Board & JEE Main Section)

Dear Students and Respected Parents,

I hope this message finds you well. Our education journey has been remarkable, marked by growth, learning and endless opportunities.

As Managing Director, witnessing education's transformative power is a privilege. Students have evolved from curious children to accomplished individuals. Our dedicated teachers shape minds, while parents entrust us with their children's future.

Education isn't just about books and exams; it's about fostering character, values, and dreams. It's about nurturing compassionate, resilient, and responsible citizens.

To our students: You're our Institute's heart. Your dreams inspire us, and your

achievements make us proud. Each day is an opportunity to grow and excel.

To our parents: Your trust is invaluable. Together, we're shaping future leaders. Let's continue supporting our children's journey.

Together, we create a legacy of knowledge and excellence, lighting paths for future generations. Let's face the future with courage, knowing education's boundless power.

Proud to be part of this Institute, our shared journey will continue shaping bright minds.

Thank you for your unwavering support. Here's to a future of success and limitless possibilities.

Warm Regards,

Dhiren Soni

MESSAGE FROM HOD - JEE ADVANCED SECTION

Dear Students,

A Warm Welcome to Your Academic Adventure

As the HOD of the JEE – Advanced Division, it's my pleasure to connect with you and offer insights into the remarkable journey ahead as you prepare for JEE Advanced.

Preparing for JEE Advanced is a significant undertaking and success demands a well-thought-out strategy. This exam is more than just a test; it's an opportunity to open doors to some of the country's finest institutions. It challenges your intellect, problem-solving skills, and resilience. The joy of overcoming these challenges and the sense of accomplishment after tackling complex problems are unparalleled.

Success in JEE Advanced requires more than academic excellence. It demands a resilient spirit, unwavering determination and the ability to stay focused under pressure. The journey is rigorous, but it's through facing and overcoming challenges that one truly grows.

Your dedication to your studies is the key to unlocking success, and here at Oaj, we are committed to providing an excellent platform and environment for your preparation.

Wishing you success and looking forward to welcoming you to Oaj Institute.

Best Regards,

Aditya Vithalani
